Name and Address of contractor _____

Application is hereby made for an INDUSTRIAL SEWER CONNECTION PERMIT to install and connect a building sewer at the address of the property listed. In making this application the applicant represents that all the following statements and any attached maps and drawings as a true description of the proposed project. The applicant agrees that the permit applied for, if granted, is issued on the representations made herein and that any permit may be revoked without notice on any breach of representations or conditions. Invoices tendered for materials used by the Village of Steeleville will be due upon receipt.

Attachments:

1. A plat of the property showing accurately all sewers and drains now existing is attached hereunto as Exhibit "A".
2. Plans and specifications covering any work proposed to be performed under this permit is attached hereunto as Exhibit "B".
3. A complete schedule of all process waters and industrial wastes produced or expected to be produced at said property, including a description of the character of each waste, the daily volume and maximum rates of discharge and representative analysis is attached hereunto as Exhibit "C".
4. A copy of your Illinois Environmental Protective Agency permit.

IN CONSIDERATION OF THE GRANTING OF THIS PERMIT, THE UNDERSIGNED AGREES:

1. To furnish any additional information relating to the installation or use of the industrial sewer for which this permit is sought as may be adopted in the future.
2. To operate and maintain a control manhole and any waste pre-treatment facilities, as may be required as a condition of the acceptance into the public sewer of the industrial wastes involved in an efficient manner at all times, and at no expense to the Village of Steeleville.
3. To cooperate at all times with the Village of Steeleville and its representative(s) in their inspecting, sampling, and study of the industrial wastes, and any facilities provided for pretreatment.
4. To notify the Village of Steeleville immediately in the event of any accident, negligence, or other occurrence that occasions discharge to the public sewers of any wastes or process waters not covered by this permit.
